

Minutes of University Estates North HOA Meeting and Nation Night Out
Oct. 2nd, 2018 at the Richardson Women's Club Wishing Well Area.

Present – Will Brown, Vice President; Brian Nevill, Secretary; Jerry Nichols, Vice President; Julie Conway, Treasurer; David Roffino, James Arnett, Dee Murphy, Jan Neher, Martha Feeley, Jim Lewis, and Elliot Johnston.

Absent – Jeff Burroughs, President.

After a buffet dinner of pizza, Chik-fil-a sandwiches, and salad was served, David Roffino acted as chairperson in Jeff Burroughs' absence. David introduced guests: Fire Chief Poovey and his wife; speakers State Rep. Angie Chen Button who spoke briefly, and then Asst. Chief Martin mentioned that burglaries of Richardson homes were at a low number. The number 1 crime in Richardson is burglary of unlocked vehicles.

City Councilman, Mark Solomon, spoke about how well the city is doing. 100 NNO parties were going on in the city that night and the Cottonwood Festival would be going on the coming weekend. He reminded us that school taxes need extra funding, (coming up on next city election in Nov.) especially since the number 1 thing people ask about when considering moving here is about the quality of our schools.

David reminded the attendees that our HOA hosts 4 events during the year: Santa's Sleigh; Easter Egg Hunt; 4th of July parade; and the NNO/Annual HOA meeting.

The following nominees were announced and approved:

Nominees for new Board Member election: President - Will Brown; Vice President – Brian Nevill; Secretary – Desiree Knight; and Treasurer – Julie Conway.

A Raffle was held and prizes given out to winners.

Martha Feeley thanked everyone for bringing donations for Network.

After most participants left, we were honored with the presence of Officer McGruff and his 2 associate officers. And after Officer McGruff left to go to other outings, the last few attendees were honored with the arrival of Police Chief Spivey, who was escorting Mayor Paul Volker. Both stayed for pictures, and they also were off to attend additional NNO neighborhood events.

The meeting was adjourned.

Respectfully submitted,
Nancy Sperandeo, acting secretary.
