## ATTENDANCE:

Will Brown, Eliot Johnston, Jim Lewis, David Roffino, Julie Conway and 80+ neighbors

Will welcomes everybody to our annual meeting. He introduces the current Board members.

Will give a rundown on our four major events: NNO, Xmas, Easter, and July 4 parade. We usually have board meeting about 30 days prior to each vent for planning purposes. He thanks those who have already joined and encourages everyone else to join. Your membership sponsors all the things we do plus the newsletters and a directory.

Will asks everybody to consider being a board or committee member to help keep our neighborhood great.. It really doesn't require that much time involvement.

Will introduces RPD Officer Greene (?). She has only been with the RPD for 2 years and works in our area. Luckily, it has been pretty quite up here. She thanks everybody participation because it help make her job easier.

Will introduces Jim Lewis. He has been coordinating our neighborhood garage sales. He is planning another for October 23<sup>rd</sup> with a rain date of the 30<sup>th</sup>.

Will introduces the office slate for 2022 and asks for any additional nominees.

President – Will Brown

Vice Pres – John Henry

Secretary – Katherine Fauss

Treasurer – Julie Conway

Hearing none, Will asks for a show of hands to elect the proposed slate. Vote carries.

Will introduces David Roffino, one of the original homeowners and contributes in most all our activities.

David give a synopsis of our neighborhood covenants. They were created by the original builder in 1978.

The were to be in effect for 30 years followed by an automatic 5 year extension. He currently believes that they are no longer in effect, but that all homeowners should still abide by them. This has kept our neighbor cohesive.

Will adjourns the meeting at 7:30pm.

Groups continued to socialize and clean up was complete about 8:15pm.
